

Hidden amongst hundreds of acres of rolling hills and vast farmlands, Bonfire Station is a country lovers paradise and offers an intimate, fun-filled and loving wedding experience.

We invite you to join us for the weekend, enjoy the stunning backdrops, enjoy the rustic yet comfortable farm stay and have a unique celebration with your family and friends.

Picture Yourself Here...

We love the idea of a wedding celebration that's more than a five hours package.

Picture this: arrive Friday with your closest friends and loved ones, start getting organised, head to the hills for a picnic with a 360 degree view and spend the evening at our rustic bar.

Saturday morning; take the time to finish the last details and get dressed for your wedding. In the afternoon, invite the rest of your guests to join you, get married at the location of your choice and return to our reception area to kickstart the party.

Finish the night around the bonfire before rolling into bed.

Wake up Sunday morning, enjoy a recovery breakfast and that extra time to catch up with your guests. Head home or spend the afternoon playing lawn games and having one last drink before returning to reality.

What about the bar?

Bonfire Station is a running microbrewery and taproom. A lot of effort has gone into redesigning the old local golf club into our rustic country bar.

You'll find a selection of our fresh beers and cider, local wines, bubbles, spirits and soft drinks. The bar will be staffed for you from 12:00 to 23:00.

For a personal touch at your reception, we can also offer a signature cocktail of your choice.

We are flexible about the way you want to run the bar. You can decide on a tab or choose to pay as you go.

We offer a generous drinks package which includes all our craft beers, cider, local wines, house spirits, soft drinks and sparkling wines at \$16 per person / per hour (minimum of 4 hours) - this is the best way to cover your guests for your whole reception.

Please note * As we are a fully licensed venue and do not allow any BYO on site.

We love hosting our guests, and love seeing all the ways that people enjoy using the space. We've made our packages super simple, so that you can choose the one that best suits your needs and budget.

We're proud to have celebrated hundreds of special days with our couples. We'll work with you to make it exactly what you imagine.

We can't wait to celebrate your wedding with you!

A family owned business exuding love and dedication for what they do.

We stayed with family and friends for four fantastic nights. It was catered for us, very comfortable and clean accommodation.

The settings are rustic and magical.

The venue is beautiful – it's rustic and modern set on the most tranquil & beautiful property. We were so thrilled to have been able to offer such a unique experience to all our wedding guests. The view of the lake in the morning was stunning. I'm so happy with the whole experience. From the bottom of our hearts, thank you Rob & Flo.

Our wedding at the Bonfire Station was so much fun. Our guests loved spending the entire weekend at this gorgeous farmstay with us. It is so affordable, fun, family friendly and the scenery is stunning. Two days after our wedding & we're all already talking about our 1 year anniversary!
