

A romantic photograph of a bride and groom embracing in a vast, open field at sunset. The groom, wearing a black polo shirt and grey trousers, has his arms around the bride. The bride, in a white wedding dress, is smiling warmly at the camera. The background features rolling hills and a sky with soft, golden light from the setting sun.

What a perfect venue to host our most special day. The venue and location is rustic and idyllic, and the vibe so relaxed and perfect. Honestly, I couldn't have asked for better, and the hosts were amazing, we felt so private too.

Can't wait to come back!

Bonfire Station is the perfect venue for anyone wanting a relaxed, rustic, country wedding. The fact that we and our guests could stay there all weekend really appealed to us. It also suited the vibe we were looking for - rustic, relaxed and lots of greenery and beautiful outdoor spaces.

We're so glad we found Bonfire Station!

Picture Yourself Here....

We love the idea of a wedding celebration that's more than a five hours package.

Picture this: arrive Friday with your closest friends and loved ones, start getting organised, head to the hills for a picnic with a 360 degree view and spend the evening at our rustic bar.

Saturday morning, take the time to finish the last details and get dressed for your wedding. In the afternoon, invite the rest of your guests to join you, get married at the location of your choice and return to our reception area to kickstart the party.

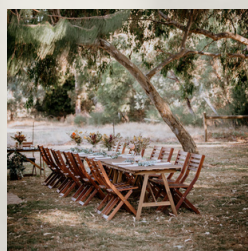

Enjoy our bar and taproom, sample our craft beers and local wines on offer and finish the night around the bonfire before rolling into bed.

Wake up Sunday morning, enjoy a recovery breakfast and that extra time to catch up with your guests. Head home or spend the afternoon playing lawn games and having one last drink before returning to reality.

We recommend our generous drinks package which includes all our craft beers, ciders, local wines, soft drinks and sparkling wines.

\$15 per person / per hour
(minimum of 4 consecutive hours)

Or add basic spirits on the package.

\$17 per person / per hour
(minimum of 4 consecutive hours)
(no shots or doubles)

Bonfire Station is a running microbrewery and taproom. A lot of effort has gone into redesigning the old local golf club into our rustic country bar.

The bar will be staffed for you from 12:00 to 23:00. You'll find a selection of our handcrafted beers and ciders, local wines, bubbles, spirits and soft drinks.

For a personal touch at your reception, we can also offer a signature cocktail of your choice.
