ABOUT OUR FOOD

We pride ourselves on making great food that is simple, honest and can be enjoyed by everyone in our beer garden.

ABOUT THE BASE...

Our pizza dough is proudly home made.

Renowned as the world's best pizza flour, Caputo Blue flour is stone milled in Italy. We use this flour in all our pizza dough.

Each of our dough balls are made on-site, slow fermented over 72 hours before being hand stretched and cooked in our handmade stone wood-fire oven.

ABOUT THE INGREDIENTS...

Our sauce is made from 100% sun-ripened tomatoes from the Italian Emilia Romagna region and flavoured with oregano and basil.

Paragon Olive Oil is made from Frantoio olives and is used on both our pizzas and in our sauce while cooking. It has a soft buttery taste and texture and is a sustainable, delicious oil.

Proudly grown, pressed and bottled on a family grove here in Taggerty.

DON'T FORGET THE BEERS!

While staying true to our country town roots and humble beginnings, our beers are inspired from our travels around the world. We brew with the best seasonal ingredients, add passion and imagination to create a beer that you'll love to share with friends.
